### Lourdes Vázquez Director of Recovery Support Services & Supportive Housing

A Certified Addiction Professional committed to supporting lasting recovery. She previously served with the Florida Guardian ad Litem Program, earning statewide recognition and commendation from Governor Crist for her work on a complex case.

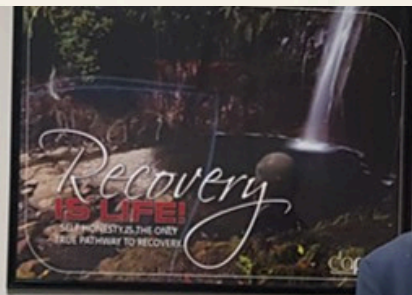

"My humanity is bound up in yours, for we can only be human together." – Desmond Tutu. This powerful belief continues to guide Ms. Vazquez's dedication to Human Services.

### Jennifer Spradling Housing and Employment Care Coordinator

A former collegiate athlete and team captain, she applies her background in teamwork and leadership to her work in housing and employment support. With a degree in Psychology, she specializes in understanding human dynamics and building strong connections with clients to help them achieve stability and success.

"Be the pebble in the pond that creates the ripple for change." – A message of inspiration for her clients striving for growth and transformation.

The Recovery Support Center will provide a wide range of support services focused on building recovery capital.

The center will assist clients in making critical support connection to community resources that will build resiliency and recovery sustainability.

## HOW RSS SUPPORTS RECOVERY

We support recovery through assessments of clients' strengths, needs, and recovery capital, developing personalized improvement plans, connecting them to community resources, and continuously monitoring progress to enhance resilience and long-term recovery.
