## Our Staff: Supporting Recovery from Day One

**Mevsim Bacaksiz**

**Mevsim Bacaksiz** is a seasoned substance abuse professional with over **ten years** of experience advocating for underserved communities.

She holds a bachelor's degree in Deviant Behavior and Social Control from John Jay College and a master's in Criminal Justice and Criminology from Florida Atlantic University, where she also gained experience in victim advocacy.

As **Director of Intervention Services** at DAF, Mevsim leads with compassion and a holistic approach, driven by her belief that **“we can all do small things with great love, and together we can do something wonderful.”**

**Alison Ramos**

**Alison Ramos** brings over a decade of experience to her work in Intervention Services, where she is deeply committed to helping individuals navigate life's challenges.

As an **Assessment Therapist and Court Liaison**, she serves as a vital link between clients and the legal system, ensuring access to care and support.

With a Master's in Forensic Psychology, Alison blends clinical expertise with compassion, **firmly believing in second chances and the power of positive change.**

## Marchman Act Receiving Facility

**DAF serves as an emergency receiving facility under the Marchman Act, stabilizing and assessing individuals whose families petition the court due to uncontrolled substance use issues.**

## Adult Drug Court Program

**The Adult Drug Court program provides treatment for nonviolent, drug-involved felony defendants, with our court liaison present to assess needs, make referrals, and report progress.**

## Inside Intervention Services

This space is where early intervention begins—offering comfort, privacy, and access to a comprehensive network of behavioral health and supportive care services. The program accomplishes this by identifying individuals at risk, conducting assessments, and providing targeted support.
